

LEADERSHIP FROM JOHN MAXWELL TEAM

HOW TO BE A REAL SUCCESS

To Become a REAL Success— it is imperative to **RELATE** to others better as you understand relational rules. Adding value to people helps them to reach their full potential.

Recognizing and building on the leadership potential in those around you and applying teamwork laws will help you take others to a higher level by **EQUIPPING** them with the proper skill sets.

Improving your **ATTITUDE** through daily practices, understanding the affect your attitude has on you and those around you, and adopting an attitude that makes challenges easier to overcome is key to your success.

By emulating what successful leaders do to remain at the top, **LEADING** others successfully to where you have gone and beyond, and influencing others from the heart and not just the head is the remaining piece of the puzzle for REAL success.
