

LEADERSHIP FROM JOHN MAXWELL TEAM

LEADERSHIP GOLD

LESSONS LEARNED FROM A LIFETIME OF LEADING.

Gaining leadership insight is a lot like mining gold. You do not set out to look for dirt; you look for the nuggets.

We venerate great leaders, and we have the tendency to assume their accomplishments came about regardless of the assistance they received from others. The truth, however, is that no leader would be great without the support and help of teammates. As a leader, you will never get ahead until your people are behind you.

Workshop Objectives:

- Adding leadership knowledge.
- Learning the experiences of successful people and Dr. John C Maxwell.
- How to take the golden keys of leadership.
